Public hearing was opened at 6:45 pm. This public hearing was held to consider the ADOPTION OF PROPOSED LOCAL LAW #4-IMPOSING A MORATORIUM ON COMMERCIAL SOLAR USE. Bethany Centrone, Counsel explained the moratorium would give Planning Board time to consider regulations on commercial solar uses. The moratorium would be for 6 months. During this time information would be gathered .

Public Comment:

Alan Bushover-asked if this was strictly commercial.

Bethany Centrone answered yes. It is time to consider a law to be developed with the Planning Board and County Planning Board.

After no additional comments a motion by Councilman Schaal seconded by Councilman Stalker to close the public hearing at 6:46 pm.

Respectfully submitted,

Darlene A. Rich
Town Clerk
