PURPOSE:         To hear those for or against the Preliminary Budget 2015  
Deputy Supervisor Schaal read the public notice.

Board Comment: none

Public comment: David Barhite asked about snow removal and why does the village pay. He said they should be exempt because the towns do not provide snow removal service in the village. Ken Schaal said "so noted". David Barhite asked if the towns do brush and weeds inside the village. Deputy Supervisor Schaal said yes and they just finished mowing Medina Business Park. Mike Fuller, Highway Supt. said they spent more than two days mowing with the bushog.

Thurston Dale asked how we fund new equipment. Deputy Supervisor Schaal said we have a budget for new equipment and we have a reserve account that we budget into. We bond new equipment as needed or if needed. Some of the equipment we budgeted this year can be used inside the village for snow removal. Deputy Supervisor Schaal said the Board maintained the budget at 2%. Tax rate for Town Wide is 3.48, Town Outside is 6.21.
