Public Hearing was called to order at 6:45pm

Purpose of the Public Hearing- To hear those for or against Proposed Local Law #1of 2016-Local Law to Permit and Regulate Solar Energy Systems.

After opening the meeting Supervisor Draper asked Bethany Centrone to comment on this local law. She said this would be for use of homeowners. Purpose is to provide solar energy systems. A permit would be required before installation. SEQR review showed no environmental impact for personal property. This was approved by the Orleans County Planning Board on July 28. The Local Law was posted to the website when hearing was announced. If no public comment Planning Board recommends approval.
