Purpose: To hear those for or against Local law # 3 of 2014 amending section 600 of the zoning local law

Mr. Schubel explained the local law. It is a new provision under subsection K which shall be numbered 5 and entitled LED (Light Emitting Diode) Signs. The enactment of this local law would require a negative declaration from the town board as SEQOR review found this local law to have negative impact. Kirk Myhill Planning Board Chairman has recommended the town board adopt this local law.
