Chairman C. Lacy Called for old business having no old business

Chairman Lacy asked P. Bushover to read the ZBA Public Notice (see Att. 1).

Chairman Lacy asked Mr. Aikin the reason for the fencing. Mr. Aikin explained that placement and height of the fencing was for privacy and protection for his small dogs from the road there is a patio on the side of his house and fencing will block the view to the road. The height is needed because of the house sets on a hill and the road is lower. Board members asked if it is to be professionally installed and what it was going to be made of.

Mr. Aikin stated that he has hired a fencing firm to do the work and it will be a wooded fence with a dog ear top.
