The public hearing was called to order at 6:15pm. The purpose of this hearing is for the public to speak and be heard in helping weigh the pros and cons of the BORREGO Wind Project sited for South Gravel Rd., Medina, NY, Town of Shelby.

Each person that wanted to speak was asked to sign in and state their township. Deputy Supervisor Wilkins recited the ground rules before entertaining public comments.

A short presentation was given by the BORREGO Group along with handouts to inform attendees of the plan.

One email was received opposing the Wind Project, while nine speakers spoke with their questions and concerns, most of which were opposing. Another gave a visual “to scale” presentation for a true to life perspective.

This hearing will remain open for 2 weeks to give people a chance to send in their questions and concerns to the Board. You may also visit their website at www.borregoenergy.com.

Additional emails received were sent to the Board members.
This hearing is now closed for comments as of 9:00 am, June 29, 2022.

Public comments-
See Youtube video link on the Town of Shelby website.

Please note: The public hearing was announced in the Lake Country Pennysaver on June 5, 2022.

Respectfully submitted,

Dorothy Nolan,
Deputy Clerk
