Re: Shelby Wind 1, LLC and Shelby Wind 2, LLC - South Gravel Road Wind
Project - Continuation of Project Review

Dear Supervisor Wengewicz,

Upon review of the letter from Bond, Schoeneck & King on March 13th, 2024, New Leaf Energy stopped development of these community wind projects. We would like to request that the Town of Shelby withdraw our applications for the Community Wind Projects at 4324 and 4362 South Gravel Road, Medina, NY 14103.

We appreciate the efforts of the Town Board in reviewing and considering Community Wind for the area.

Sincerely,

David Strong
Sr. Project Developer
